WORK EXPERIENCE

Senior Scrum Master

Charles Schwab

📅 January 2015 - current 📍 San Diego, CA

- Coached 20+ teams to higher levels of maturity by improving their process and ensuring they adhered to the Scrum framework
- Facilitated discussion, decision making, and conflict resolution across 4 cross-functional teams
- Used Agile methods and processes to coach 4 product owners through complex problem-solving and solution strategies
- Ensured user stories were 100% ordered, defined, and ready to be worked on by the team
- Identified 10+ complex impediments and assisted 5+ teams in identifying a path to deliver on their sprint commitments
- Guided Agile principles and facilitation skills to ensure 20+ teams were working in an Agile mindset and utilizing Scrum practices

Scrum Master

Capio Group

📅 June 2012 - January 2015 📍 San Francisco, CA

- Ensured 3 project teams lived Agile values and principles and followed client-required processes and practices
- Spearheaded 50+ Agile Ceremonies such as Sprint Planning, Daily Standups, Retrospectives, Story Refinement, and Release Planning
- Tracked and communicated 20+ projects' progress to 12 stakeholders and management staff
- Interfaced with 3 product owners on an active basis to manage product backlog and sprint activities
- Removed 50+ obstacles and managed risks to enable team efficiency and effectiveness
- Ensured 100% of Scrum activities were tracked, kept up-to-date, and reported
